Bowser and the Koopalings have once again kidnapped Princess Peach, but this time, Mario has another objective. The Mushroom Kingdom is bursting with more gold coins than before. Each level is littered with gold as coins rain down from overhead pipes, trails of coins are left behind special gold enemies and gold pipes transport Mario into coin-filled caverns. It's up to players to collect as many coins as possible throughout their adventure.

LAUNCHES: 08.19.12

FEATURES

Every level is filled with golden opportunities, such as gold rings that turn enemies into valuable gold versions and a Gold Flower that gives Mario the ability to turn almost anything in his path into coins. The game records all the coins players collect throughout the game, so completing a level is only part of the fun.

Coin Rush Mode allows players to collect as many coins as possible across three levels and challenge friends to beat their record via StreetPass.

Two players who each own the game can play the entire game in two-player cooperative multiplayer mode using local wireless. With the second player controlling Luigi, players earn double the coins while clearing courses and defeating enemies.

The return of Raccoon Mario gives Mario the ability to fly and access hidden areas.

ESRB Rating:

NINTENDO 3DS™

PORTABLE 3D ENTERTAINMENT GOES EXTRA-LARGE WITH NEW NINTENDO 3DS XL

A big year for the Nintendo 3DS system is about to get even bigger. In a Nintendo Direct video on June 21, Nintendo revealed plans to launch Nintendo 3DS XL, a new version of Nintendo 3DS with 90 percent larger screens. When it becomes available across North America on Aug. 19 at a suggested retail price of $199.99, the new system will create even more immersive entertainment experiences for users, delivering a wealth of games and video content that can be enjoyed on the go.

Nintendo 3DS XL features an updated form factor and will be available in Red or Blue. The new system's battery life outperforms that of the original Nintendo 3DS, and it comes bundled with a 4 GB SD card, which owners can use to store content such as downloadable games and videos from the Nintendo eShop. Nintendo 3DS XL launches on Aug. 19, the same day as New Super Mario Bros. 2, a new installment in the fan-favorite Mario game series.

"No other hand-held entertainment experience compares to the fun of Nintendo 3DS," said Nintendo of America President and COO Reggie Fils-Aime. "With the launch of Nintendo 3DS XL on Aug. 19, consumers will be able to enjoy the great lineup of current and upcoming games on an even grander scale. Plus, Nintendo 3DS XL gives owners even more real estate on their screens to enjoy entertainment applications like Nintendo Video and Netflix."

LAUNCHES: 08.19.12
MSRP: $199.99

KINGDOM HEARTS 3D [Dream Drop Distance] – Square Enix – NOW AVAILABLE

Kingdom Hearts 3D (Dream Drop Distance) is the 3-D debut of the Kingdom Hearts franchise, and the opening chapter of the saga's final conflict. King Mickey and Yen Sid prepare for an impending threat by putting Sora and Riku through the Mark of Mastery exam. Sora and Riku are sent into the Sleeping Worlds, where they will face enemies and allies that have never been seen before. If they can successfully complete the task they are given, they will be deemed true Keyblade Masters. Enjoy fast and effortless 'free flow' movements while interacting with the environment and performing acrobatic attacks. Brand-new creatures -Dream Eaters inhabit the Sleeping Worlds, and are split into two categories: Spirits and Nightmares. Recruit over 50 different types of Spirits as allies to fight alongside Sora and Riku. Play in new Disney Worlds, such as La Cité des Cloches from The Hunchback of Notre Dame. Demo available on Nintendo eShop.

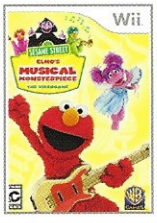
LEGO® Batman 2: DC Super Heroes – Warner Bros. – NOW AVAILABLE

Calamity strikes as the Joker forms as alliance with Lex Luther. The result is a uniting of the world's greatest villains from across the DC Comics universe, intent on tearing down Gotham City, brick by brick. Thankfully Batman and Robin are able to form their own unit for good with members of the Justice League. Additional heroes available in the game include Superman, Wonder Woman, Green Lantern, and many more. The game contains lighthearted content featuring Batman flavored action, mixed with classic LEGO block gameplay. Players utilize a variety of vehicles including the Batmobile and Batwing, and must master a range of gadgets in order to triumph. Also available on Nintendo 3DS.



ESRB Rating: Early Childhood

Sesame Street: Elmo's Musical Monsterpiece – Warner Bros. – NOW AVAILABLE

Sesame Street: Elmo's Musical Monsterpiece is a new game that kids will be able to rock out with their favorite Sesame Street characters, engaging in activities that promote musical creativity and dancing. The game also manages to throw in a few activities designed to foster development of math skills through connections between math and music. The in-game music comes from eclectic Los Angeles band Ozomatli, who use a wide range of styles in their music - ideal for kids who need a lot of variety. The game is simple enough for toddlers to play without too much help, but there is plenty of room for parents to get involved and get in some playtime with their kids. Also on Nintendo DS.
